

Residents of Wilmslow

People Before Party

**Residents of Wilmslow  
is fixing Cheshire East**

**Don't let the Conservatives  
break it again...**

**Independent auditors said  
Cheshire East had been  
“run as badly as it gets”\***

**\*Grant Thornton - Public Interest Report**

They described the previous Conservative administration of Cheshire East as one of the most discredited councils ever. They called it “toxic” and “dysfunctional” and on the same level of failure as the Westminster ‘Homes for Votes’ scandal

& Croydon Council's £1.3 billion bankruptcy.

**But they said Cheshire East has now been transformed by the new administration,**

## We delivered our 2019 promise to “Change Cheshire East”

We stopped new police raids on council offices and criminal investigations.  
We stopped the councils “dysfunctional” and “toxic” performance.  
We stopped temporary council staff being paid £1,000 a day.  
And we stopped the above inflation Council Tax hikes.

Instead, we only increased Council Tax in-line with inflation.  
We improved services according to government reviews.  
For the 1st time Cheshire East didn't overspend & drain its financial reserves.  
All while dealing with a pandemic and inflation running at a 50 year high.

# Vote for RoW

## to keep improving Cheshire East

### LATA ANDERSON Residents of Wilmslow

An IT professional who has lived in Wilmslow for over 25 years, Lata has been an active member of both Cheshire East and Wilmslow Town Council.

She has been very effective on both councils, initiating schemes like the Christmas Ice Rink, the monthly Ukrainian Café for refugees living in the town, free family bus passes during half-term and improving how the town council communicates with residents.

She has also proposed renewing the Villas playground, which is awaiting approval from the town council. Her plans for Dean Row are to push for a full repair of Dean Row Road, including the cycle & pedestrian paths and to restore the winter gritting to Pinewood Road too.

In addition, she is also very active with Transition Wilmslow, Wilmslow Civic Trust and the Community Market Garden.
